Miss Bonneau's guests were Misses Annie Lee Orme, Annie Laurie Bullard, Madge Page, Lula Mae Vaughan and Mrs. Tom Espy.

NEW BUSINESS TRENDS

If it is true that politics makes strange bedfellows, it is equally true that something similar may be said of business, in the light of recent happenings.

Manufacturers of various commodities are adding to their original products, some of the new combinations being almost incongruous at first glance. For illustration:

A big automobile manufacturing Concern has added refrigerators

G. M. TAYLOR, Sec'y. Vaughan and Mrs. Tom Espy.

Every year an average of 143,500 forest fires damage some 36,000,00 acres of timberland in the

Whatever the explanation, the new trend is interesting, and seems likely to spread to many other lines of manufacturing and marketing.

Nature Thought of
Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us. Thus, if our children grind their teeth when they aleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35ca bottle, and can be bought from Farm Board says that 800 (acres of land in the United Sta are used for producing beets that hundreds of thousands of le are engaged either in pro Dr. William M.
